International Artists

Hans Christian Jochimsen - Denmark

For us, the Nr. 1 among the European gospel choir directors and also known and appreciated in the USA as a gospel choir director and songwriter... There is barely a gospel choir in Germany that does not know and sing his songs. The Danish Music-Pastor, Songwriter, Producer and Choir director touches with his heartfelt songs and text many singers and listeners to the core. Hans Christian Jochimsen understands with his unique art, how to release in people their free gospel voice and how to make an unforgettable gospel experience with his wonderful Humor.

Derrick Starks - USA

The Gifted Songwriter, Choir director and Pianist from Detroit radiates a contagious basic Gospel feeling. The Music-Pastor Derrick Starks has excited thousands of people with gospel music. He has worked with many of the gospel greats in the USA either standing on the stage or in the recording studios on top rate productions. As a Musical-Director he has already been active all over Europe and Africa. We are very happy to have him and a whole group of surprise guests from the USA. That promises to make a Gospel fire full of temperament!

Carmen & Friedemann Wutzler - Germany

Gospel power out of Dresden – Rousing, Funny and full of Energy the passionate gospel choir director couple and initiators of GOSPELHOLYDAYS have been bringing gospel music and moving people of all generations for over 2 decades. Regardless if it is a choir of 10 or 1000 singers, Gospel is their calling and the Gospel fire that is burning in them is contagious!

Our vision:

Sharing makes us all richer

Gospelholydays wants to be more than just a Festival and among other things support gospel choirs and gospel choir directors in our East European neighboring countries, that are dependent on help for their work. In 2014 and 2016 the first Bulgarian gospel choir, the SOFIA GOSPEL CHOIR were our guests. Those who experienced it, know how enjoyable and overpowering it was not only for our guests. For the GOSPELHOLYDAYS 2019 we want to invite at least one gospel choir and 5 gospel choir directors from eastern Europe to attend GOSPELHOLYDAYS with no costs falling on them. Learn more about our vision to support east European gospel choirs under www.gospelholydays.com and help us to vitalize this vision into a reality. We are therefore looking to YOU and many other supporters!
